All Teachers are well experience & they understand us very well .

The communication with the professor's is very nice they always support us...

Maintain the current teaching strategy and keep updating the infrastructure time to time.

All the teachers are effective and they clear all the doubt we have in topic

My college teachers are good 🙌.

Awesome

Should include extra curricular activities

- 1) Please update computers , because some are still running XP, win 7.
- 2) Air-conditioning in many of the class room either never works or it is set to such high temperatures that it gives off heat.
- 3) Please set up a wall attached handwash so that students would not use paper soaps in toilet which inturn clogs the wash basin. Also put dustbin in toilet because chewed mint also does the same to the wash basin.

To give importance to studies, study students from other considerations

All lecturers are effective
