SPORTS REPORT 2015-2016

MESSEGE FROM PRINCIPAL

“Sport is a force for national unity and a builder of national pride. Sport is a key to our future as it enhances the health of our students for better fitness, self-esteem, confidence achievement, providing them with positive alternatives in their daily lives. Sports and games foster team spirit among the participants and make them disciplined.

Most wonderful of all, sport is good in and of itself. To swim, or run or play ball for pleasure, or to strive for excellence at the peak of athletic competition. It is a human activity and a human value that needs no justification beyond itself.”

I am elated to note that our students are participating in sports activities and bringing laurels at District level and Inter-Collegiate level. I extend my best wishes to all of them.

Dr. Shaikh Mehmood Hasan
Principal
