1)There should be segregation of the students based on the performance

2) libaray should be used only for self studying and not for conducting the exam

3) there should be some kind of group work by the students especially related to academics (i.e research work on finance and commerce etc )

4) restart the volley ball game and kabaddi

No

Some teachers were very good performance in our college except few.

I observe one thing of all teacher

In our college they don't catch the weakness of students i know it's not possible to ask har bachcho ko khada karke poochna kiya mera concept sahi hai padhane ka you should ask atleast 7to10 students what did i said tell me

Isse ye hoga ke students ka saare dhiyan aap ki taraf hoga aur student ko concept samajh me jaldi aaiga and please take a lecture for career development, counselling, self knowlege improvement and so on. thanks for taking suggestion . 😊👍
