## INFRASTRUCTURE AND LEARNING RESOURCES

### 4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching-learning. viz., classrooms, laboratories, computing equipment etc.

Though space is a very big constraint, continues efforts are made to utilise the available space in the most appropriate manner and arrange for adequate facilities for teachers and students. The college has 20 class rooms with adequate sitting capacity, 4 computer labs, 180 computers available for facilitating teaching learning process. 12 class rooms are equipped with overhead LCD projectors. Wifi and internet connections with adequate speed are made available for academic purposes only. Efforts are being made by the management to increase the space in future. Efforts are made to get necessary permissions for additional floor to be constructed, which would give additional four or five class rooms. Lots of investment are being made on upgrading computers and computing equipments like latest Monitors, keyboards & RAM. Efforts are being made to stay up to date with the latest hardware and software available in the market. This is necessary as we offer computer related programs in the college. College is also alive to the needs of ICT and as such efforts are made to upgrade the INTERNET facilities also. CCTV cameras are installed at all prominent places to maintain safety and security of students and resources. LED are installed on floors and at prominent places to display current news and updates with students, outsiders and faculties. Language lab was established. Electronic Kits are purchased on time to time basis for Hands-On training. Research cell is dedicated for research work for the faculty members, Ph. D. Scholars, PG and other research enthusiast.

#### 4.3 - IT Infrastructure

##### 4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

Yes .

As the college has self financing courses like BSc IT and BSc Data Science, internet and WiFi are in huge demand. Mumbai University has started the practice of uploading the examination question papers just 1 hour before the scheduled University examination, which the college is expected to download and print time for the conduct of the examination. As a result of this the college is frequently updating the It facilities in order to update its faculties so that the benefit is passed on to students. The ICT facility is upto date that even the onscreen marking started by university of Mumbai is also being implemented in our college, helping our faculty members

to do onscreen marking in the college premises. Covid - 19 gave an opportunity for the Institution to immediately subscribe for online portals like Google meet, Zoom, for conducting activities online. However post pandemic academic year 2022-23 was an exceptional year as the use of ICT tool surged up and students were also comfortably using online resources. Our college also provided various academic and administrative services through our website and own customized college App. Full time technical assistance is provided during college working hours.

Every year college forms student sub-committees which aim to train and groom students in management activities and participate in the inclusive growth of the institution. Student council is formed as the norms given by the University of Mumbai. The selection of students is done as per academic merits and also includes representatives of various important units such as NSS, cultural committee, CWDC, NCC and DLLE. The college also has other mandatory committee like Internal complaint Committee formed as per the guidelines of POSH Act 2013, it has representatives of female and male student and play significant role in creating awareness of Sexual Harassment Act as well as in organizing gender sensitization

programme. The NSS students' volunteers play crucial role to make students as good citizens. They organize programmes to create awareness regarding social issues and their role to eradicate wrong practices from the society. Students sub committees were formed to encourage them in organizing event and learning teambuilding and management skills. CWDC has student representation to involve and sensitize towards gender based issues. The College has a DLLE program Center from University of Mumbai under which the students participates in various welfare activities.

## 5.4 - Alumni Engagement

**5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services**

Alumni Association has been registered after the NAAC peer team visited in the month of June 2018. Alumni have been traditionally contributing by way of training our existing students in cultural activities, guiding them for appearing in exams, competitive exams, and appearing for job interviews. Alumni have also been helping the regular students by giving them leads about job openings. Many students are unable to pay outstanding fees and were in a situation to drop out, but our Alumni through their contacts and network, helped the students to pay their fees through donations or zakat from their contacts with different trusts, philanthropists, and

entrepreneurs. They shared their mobile numbers so that at the need of the hour, students can reach out to them for help either for admission in hospital, medicine or injections availability, rations, etc. The alumni also conduct awareness programs on different issues like health safety, cyber security, stress management etc. Alumni feedback is collected and analyze to help in strategic development of the institution.

## GOVERNANCE, LEADERSHIP AND MANAGEMENT

### 6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Akbar Peerbhoy College of commerce & Eco was born out of the ideology that children must be given an environment that makes them want to come to college every day. The College was founded in 1969 by Anjuman i Islam. The College has a well-defined system to monitor and evaluate the effectiveness and implementation of the policies and plans of the institution, in the form of Memorandum of Association and Articles of Association of our Parent organization "Anjuman--Islam" which governs all the matters pertaining to effective governance in line with the Vision and Mission of our Institution which is in perfect synchronization with the Vision and Mission of our parent body "Anjuman-I-Islam". The effective functioning of the institution is monitored and evaluated by the Management through Various statutory and college committees formed by the College. Annual and periodic Budget meetings are held with the Principal and Heads of Departments. Review meetings by the Principal with the Heads of Department are held for assessing the progress. Quarterly reports are sent by the Principal to the management and presentation to Board for higher education, covering Attendance analysis, Semester Result analysis. Periodical internal and external audit are carried out by HO for monitoring the finances of the college.. The existence of a well-drafted Memorandum & Articles, and well defined organizational structure, with various governing bodies and councils, providing guidance and direction is a reflection of our effective leadership in tune with the Vision and Mission.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Management of Anjuman i Islam believe in Decentralized governance system. Management opines that it is a key aspect of democratic governance for the development and utilization of human potential. For the development and governance to be fully responsive and representational, our Management has appointed and empowered the Heads of the department. The Chairperson of various committees .The "College Development Committee " (CDC) consisting of representatives from management, teaching and non teaching staff, student & Alumni along with the Principal is committed to effective governance. . Our President, Vice president, Chairman and the Principal have detail discussions and deliberation on the policy related issues and major financial implications of any decision in quarterly review meetings. All urgent and crucial approvals happen at this level. As and when Principal feels the need level lmeeting take place as Anjuman i Islam Management is ever-ready and ever-willing to cooperate. Even at this level HOD's are invited to give valuable suggestions. The Board for higher education, Principal, Registrar, HOD's have quarterly meeting to discuss every aspect of the college. The Principal takes operational decisions by open consultations with all the faculty members in weekly faculty meeting and also during regular teaching & nonteaching staff meetings. The Management, Principal & the faculty members conduct open meeting with students and parents to seek suggestions & communicate at the grass-root level. Suggestions to improve the academic climate of the college are collected through Parent - Teacher Meetings, alumni meeting.

#### 6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The college has adopted the following self-appraisal method to evaluate the performance of the faculty in teaching, and nonteaching staff:

1. The Principal and the HODs monitor performance of the teachers by directly interacting with them, gathering information relating to classroom situation and suggest changes, if necessary.

2. The appraisal report of the faculty is submitted to the chairman of the institute.

3. The students' feedback form has well defined set of questions that help the students to evaluate the teachers on basis of knowledge, communication skills and interest.

4 .Punctuality of teachers in attending meetings and classes, pattern of availing leave facilities, the extra hours spent in college relating to academic work are some of the parameters for performance assessment.

5. The performance of nonteaching staff is appraised by the degree of cooperation they give at the time of emergency work as the quantum of work varies from time to time. The cooperation extended by the individual in the office is the major criteria for evaluating the individual's performance. The degree of involvement and accuracy

in execution are assessed by the Principal. The time taken for disposing a file and regularity of attending the office are also the assessing factors.

### 6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The major source of institutional receipts is Tution fees received from students and the grant-in aid funds received from the state government for salary and non-salary expenditure of the aided section. The college is also entitled to utilize some part of student fees as per rules for meeting routine non-salary expenses. For self-financed courses the major source of receipt is Students' Educational Fees and the deficit is managed by Anjuman-i-Islam. College also receives UGC plan development grants for several co-curricular and extra-curricular activities and instruments, books and journal purchases for UG and PG. The audited income and expenditure statements of academic and administrative activities are available and have been audited. Besides the above the college also arranges certain funds from Non Government organizations which donate certain funds for specific purposes like purchase of computers etc. Major contribution of our Head office is to arrange Zakat funds for our poor students who cannot even afford annual fee of Rs. 6500/-. Our Head office approaches various organizations and tries to mobilize funds for thousands of poor and deserving students

## 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

### Best Practice - I

Title of the Practice: Experimental Learning

Goal (Objectives): Academic year 2022-23 was the most significant year due to post Covid-19 Pandemic. The challenge was to bring the students back to class room along with this the most important thing was to make them connected with the changing socio-economic market conditions and prepare them to face the new challenges like VUCA (volatility, uncertainty, complexity, and ambiguity). To connect the class room learning with real-world practices.

### Best Practice-II

Title of the Practice: Student Aid / Zakat Fund for As many needy students as possible

2) Goal (Objectives): One of the main missions of the Institution is to help the deprived students and ensure every section of the society get an opportunity of education. Keeping this objective in mind the institution ensures that funds need to be arranged for as many deserving and needy students as possible
