This Memorandum of Understanding (herein after called as the 'MOU') is entered on this day i.e. 25th May 2022 by and between **Anjuman i islam's Akbar Peerbhoy College Of Commerce And Economics** (Herein after referred as 'First Party') AND **A2N Enterprises DBA www.learnthedigital.com** (Herein after referred as 'Second Party')

2ya
dunation

OBJECTIVES

WHERE AS:

- First party is the recognized and established educational institute
- Second-party is the Private enterprise dealing in training in the digital domain.
- Both Parties understand that they are signing this MOU for the purpose of helping INCUBATEES in learning Digital promotions, Digital Marketing, Creative Design, and assistance in grooming INCUBATEES for Future Job interviews and self employee Business.

CLAUSE 1: Facilities and Infrastructure

- The first party will provide the dedicated space and infrastructure support after mutual discussion between both the parties as and when the need arises.
- The second party will provide its expertise to INCUBATES after mutual discussion as and when the need arises.

CLAUSE 2: No financial liabilities on either party

- There are no financial liabilities or commitments between both the parties
- The second party is not supposed to charge any fees from INCUBATES or college
- If the second party incurs any profit, a percentage will be shared with the college based on a mutual discussion.

CLAUSE 3:

The Validity or termination of this MOU depends on the mutual discussion and cooperation between both the parties. Any party can terminate the MOU after consulting the other party.
