Partnership Context

Akshara and Akbar Peerbhoy college of Commerce and Economics will collaborate to support students/volunteers to join a process of self-education, gender trainings and organizing small actions within or out of college. Both believe that it is important for youth to be exposed to gender equal concepts and undertake trainings which will impact personal behavior and encourage public social actions. At Akshara we believe that in current times students need to have 21st century values and skills and extra-curricular involvement brings out huge learning amongst students which stays for life.
