Subject: Invitation for a seminar on "Career Options as a Data Scientist"

Dear Sir/Madam,

We take this opportunity to introduce, BSE Institute Ltd. a wholly own Subsidiary of the BSE (Bombay Stock Exchange) Limited. Our Institute has taken the lead in promoting financial literacy through capital market expertise gathered over 148 years, from Bombay Stock Exchange.

We believe in delivering quality education through cutting edge courses designed by experienced market professionals. We have specialized courses across domains such as Financial Markets, Financial Technology, Data Science, Cyber Security, Securities Law, Financial Journalism and Leadership Development.

India ranks second after the USA as the country with the highest demand for Analytics and data professionals. Well, someone has rightly said- as long as there is data, there will be demand for data scientists. Based on the current market scenario, data science has become the fastest-growing career option in India. At present, several organizations from different sectors- healthcare, manufacturing, production, retail, finance, etc are working to intensify their data teams. Several huge companies such as Walmart, PayPal, Mercedes- Benz, and AIG are coming to India to set up data science centres.

Hence the future of data science in India is promising in the coming years!

So we welcome you and students from your esteemed institution to attend this exclusive session conducted by our expert.

Regards

One Day Field Visit to

"Bombay Stock Exchange – Career as an Artificial Intelligence Programmer and Data Science"

A one-day industrial visit was organized for the B. Sc. IT & BCA students on Thursday, 22nd September 2022. The objective of the visit was to provide a real time practical exposure to the students about technical and operational trends today and coming hence forth in the field of Artificial Intelligence in India. This was in accordance with the prescribed curriculum of the University of Mumbai.

BSE Institute Ltd is being used for Research and Training in Artificial Intelligence, FinTech, Prediction system, seismic data analysis, aeronautical engineering, scientific data processing and pharmaceutical development. This technology is a stepping stone towards building the future in India. Prof. Ahtesham Shaikh Coordinator B. Sc. (IT) approached the company with the proposal of industrial visit for our students and was confirmed by the concerning authority from BSE. All the students gathered at BSE at 11:30 am. We reached the center 12:00 pm. The staff at BSE welcomed the faculty members and all students. After registration the program started with introduction about the need, emerge and the area of applications of Artificial Intelligence in India, followed by the detail technological model study of Data Science by Mr. Chirag Jhumkhawala.

Students also asked their queries which were answered satisfactorily. The programme ended with the vote of thanks by Prof. Ahtesham Shaikh. The program was a huge success and definitely will be a great help for the students in preparing for their professional career, as desired by the management Anjuman-I-Islam, the Principal and the entire stake holders.

The program was organized as desired by Ms. Yasmeen Saifullah, Executive Chairman, Board of Higher Studies, Anjuman-I-Islam. She also motivated the students by his encouraging and wisdom words and also provided every possible support and permissions for conducting various co-curricular and extra-curricular activities.

This was only possible because of consistent support by Prof. Hanif Lakdawala, Assist. Director, Professional Courses and Principal Prof. (Dr) Shaukat Ali, who are always ready to provide every possible support, guidance and mentoring at every step.
