One Day Field Visit to "ACN Fiber Service Provider"

## B. Sc. (Information Technology)

A one-day industrial visit was organized for the B. Sc. IT students on Wednesday, 19<sup>th</sup> October 2022. The objective of the visit was to provide a real time practical exposure to the students about technical and operational details of Optical Fiber Communication network. This was in accordance with the prescribed curriculum of the University of Mumbai.

ACN Fiber Cable Ltd is Type-B ISP providing high speed internet to corporate clients. Optical Fiber Network technology is a stepping stone towards building the future in India. Prof. Ahtesham Shaikh Coordinator B. Sc. (IT) approached the company with the proposal of industrial visit for our students and was confirmed by the concerning authority. All the students gathered at Colaba at 11:30 am. We reached the center 12:00 pm. The staff at ACN Fiber welcomed the faculty members and all students. The program started with demonstration of optical fiber network distribution, network topology and working of routers, followed by the detail demonstration of Fiber optic cable splicing by Mr. Bashir Sayed.

Students also asked their queries which were answered satisfactorily. The programme ended with the vote of thanks by Prof. Shahid Parvez. The program was a huge success and definitely will be a great help for the students in preparing for their professional career.

This was only possible because of consistent support by Principal Prof. (Dr) Shaukat Ali, who are always ready to provide every possible support, guidance and mentoring at every step.

## Feedback for the Industrial Visit to ACNFiber Pvt Ltd.

Please provide the ratings ( 5 Highest - 1 Lowest )

Nice experience 👍 Need to know about how the wifi provider manages the wide area of network and it's customers and experience is also good, but the field visit time is 12 o'clock and we entered the office around 1 pm that's the only issue I have .

Good

Nice

Goog and knowledgeable

It was superb..... Got a chance to learn about networking..... Would request you sir to take on field visit.

EXCELLENT

Average

This program was very good and very informative especially to joint the optical fiber and find out which part is the problem. And I'm so excited to learn more

The session was very knowledgeable. They have organised it very well.

Very informative vist , learning about how the backend of internet works that we use in our day to day life

It was a good experience got to know about the backend of the network we use daily.

Had a great visit

Knowledgeable

It could be much more better

The visit was overall good

It was very good to visit it was very informative and also a good experience and great chance for a getting practical knowledge
