A Report on Remedial Lectures on "Intensive Coaching Session"

A series of Intensive Coaching Session was conducted For T. Y. B. Sc. IT Semester V students for the subject "*Internet of Things (IoT) and Linux Administration*" between Thursday, 1st September 2022 and Saturday 3rd September 2022, from 11.00 AM – 05.00 PM at 4th Floor Computer Lab B.

The first session on Thursday 1st September program started with the introduction about the Guest Faculty and need for Remedial Lecture series along with the regular lectures, by Prof. Ahtesham Shaikh.

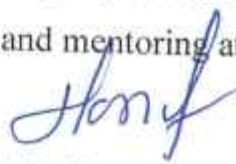

The Expert Technical Sessions on the Syllabus Topics of Internet of Things (IoT) covering the syllabus prescribed by the University of Mumbai was conducted by Prof. Sayema Shaikh, Assistant Professor at Government of Maharashtra's Elphinstone College affiliated to Homibhaba Cluster University. She also explain the various case studies and the techniques to solve the case studies based on various live project from current trending topics in IT industry.

Prof. Yaseera Anware from Maharashtra College of Arts, Science and Commerce was the resource person for Linux Administration. She covered the most important topics from exam point of view and oriented the students outlook in Linux Administration.

Feedback from the students was very positive, they saw a great value in session with subject experts and the opportunity to network and to get an insight on the subject and explore innovative ideas in implementing the final year project which is a mandatory component in Semester V in completing B. Sc. IT at the University Level. The programme ended with the vote of thanks by Prof. Shahid Pervez.

This was only possible because of consistent support by Prof. Hanif Lakdawala, Assist. Director, Professional Courses and Principal Prof. (Dr.) Shaukat Ali who are always ready to provide all the possible support, guidance and mentoring at every step.
