A Report on Remedial Lectures on "Software Project Management"

A Remedial Lecture Series was conducted For T. Y. B. Sc. IT Semester V students for the subject "*Software Project Management*" between Monday, 8th November 2021 and Saturday 13th November 2021, from 10.00 AM – 12.30 PM on Google Meet.

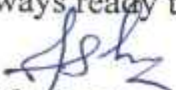

The first session on Monday 13th November program started with the introduction about the Guest Faculty and need for Remedial Lecture series along with the regular lectures, by Prof. Ahtesham Shaikh.

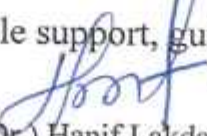

The Expert Technical Sessions on the various topics of Software project Management covering the syllabus prescribed by the University of Mumbai was conducted by Prof. Sakiba Mistry, Assitant Professor at Sophia College for Women. She also explain the various case studies and the techniques to solve the case studies based on various live project from current trending topics in IT industry.

Feedback from the students was very positive, they saw a great value in session with subject experts and the opportunity to network and to get an insight on the subject and explore innovative ideas in implementing the final year project which is a mandatory component in Semester VI in completing B. Sc. IT at the University Level.

The programme ended with the vote of thanks by Prof. Shahid Pervez. The program was a huge success and definitely will be a great help for the students in preparing for their professional career, as desired by the management Anjuman-I-Islam, the Principal and the entire stake holders.

This was only possible because of consistent support by Prof. Hanif Lakdawala, Assist. Director, Professional Courses and I/C Principal Prof. J. Hemanthkumar who are always ready to provide all the possible support, guidance and mentoring at every step.

Subject: Letter of Thanks.

Respected Mam,

I take this opportunity to thank you for giving your precious time as a **Guest Lecturer** for **Hands-on Session** on **"Software Project Management"** for B.Sc. IT students from **8th November 2021 – 13th November 2021**. The students were impressed especially by the lecture given by you. It helped them to get an insight view of the subject. You oriented the technical outlook and extended student's vision about the subject. You have always been helpful in every capacity to help the students to achieve their goals and make a difference in their lives.

Thank you once again. Hoping your support will continue in the future also.
