4. Prof. Kirti Menghani also informed that to give more exposure to industrial demand and to develop employability skills and soft skills among the students, college is approaching various professional institutions to provide proposal of program with budget. Since most of our students are coming from poor financial background, college is approaching certain corporate sector under CSR scheme to get funds for funding such programs. Thus to fill up the gap between employability skills required among students and funding for such courses College is taking initiative. Prof. Hemanth Kumar also informed about various other extra & Co curricular activities conducted like Faculty Development Programs and parent-Teacher Meeting during the period.
5. Morning Incharge & CDC member Prof. Mohd. Arif expressed his concern that Registrar's post is vacant. He suggested to appoint a Registrar. He also informed that the Registrar's post is generally filled on promotion of existing staff.
Mr. Farid Shaikh suggested to appoint the senior most admin staff as I/c. Registrar.
6. Prof. Mohd. Arif expressed his concern over decreasing numbers of admissions in certain professional courses since last few years. One option he felt that could help attract more students is to offer high demand courses like BAF, BBI etc which would help the college to increase the total number of students admitted.
7. Incharge Principal Prof. Hemanth Kumar expressed that for new courses we will require additional classrooms. On this, Mr. Farid Shaikh said that we will work to get more FSI for the College building so that more classrooms can be made. He also assured his cooperation in any kind of help for betterment of the College.
8. Prof. Sameer Naik observed that last year due to Covid -19 many extra curricular activities could not be conducted and as such funds collected as a part of fees are lying in that particular head. He suggested that these funds can be transferred to Students Aid fund and be used to set off against outstanding fees by transferring the unused amount of fee heads like Sports, Cultural activities, etc. to Students' Aid Fund so that needy students can get their fees. The college accountant Mr. Parvez Shaikh expressed that it may not be allowed as these funds are collected specifically in the relevant heads as prescribed by the University of Mumbai. Since it's a good suggestion it was agreed upon by all to make necessary enquiries and efforts to check whether it can be done.

9. Prof. Hemanth Kumar informed that CDC member Dr. Smita Salunke, Asst. Professor in EVS has been awarded Major Research Project of Rs. 4.00 lacs funded by ICSSR Dr. Rajesh Bhoite, Assistant professor in Bus. Mr. Farid Shaikh appreciated the extra efforts of the entire teaching and non teaching staff as a Team in the smooth conduct of all the college activities. On the observation of I/c. Principal that the college caters to almost 3000+ students from FYJC to Phd, Mr. Farid shaikh expressed that the admission and results of this Institution is far better compared to many other Institutions. He also observed that admitting students with 35% at entry level and producing 300+ graduates specially during pandemic where getting in contact with students was so very difficult, is an extra ordinary accomplishment for Anjuman-i-Islams Akbar Peerbhoy College.
