Report on 'Short term Course on Softs skills Development

Soft Skills is also known as people's skills, it refers to both interpersonal skills and character traits that explicate how a person can work and interact with others. This skills includes a wide range of skills such as leadership, teamwork, empathy, time management, etc. Further, more emphasis on soft skills is put over hard skills which mainly constitute of specific set of knowledge and quantifiable abilities. Soft skill development is paramount in every individual's life because they are universally required in almost every industry and field. Through this blog, we will take a look at their basic meaning, how they are different from hardskills as well as the different kinds of soft skill Professional growth.

Department of Business Communication of both Colleges have successfully organized Short Term course on, "A short Term Course in Soft skills Development Course "from 04/07/2022 to 11/10/2022 on college Zoom platform.
