15th March 2023

A Report on

“Certificate Course in Adv. Program in Accounting with Tally Prime”

IQAC of our college organized a “Certificate Course in Adv. Program in Accounting with Tally Prime” for TY B. Com. Students on from 22nd December 2022 to 5th March 2023.

The Inaugural session started with the introduction about the college and need for value added certification courses along with the conventional courses by Prof. Kirti Menghani.

Total 30 students enrolled for the course and successfully completed the course. The sessions were conducted by Subject Matter Experts from Anudip Foundation.

The objective of this certification course was to provide participants with an in-depth understanding of advanced accounting concepts and principles, to familiarize participants with the features and functionalities of Tally Prime software for advanced accounting tasks, to enable participants to effectively manage financial data, including inventory, taxation, and reporting, using Tally Prime and to equip participants with practical skills through hands-on training and real-world case studies.

Feedback of the session came out very positive as the Participants saw a great value in the course. The course has prepared the participants for career opportunities in accounting and finance roles that require proficiency in Tally Prime software in the job market.

This was only possible because of the consistent support by Prof. Hemanthkumar Jonnala, VP Degree Section and Principal Dr. Shaukat Ali for his outstanding leadership and unwavering dedication for our college.

Associate Prof. Kirti Menghani
