Dear Sir/Madam,

As a joint initiative of Maharashtra State Commission for Women and Akshara Centre, we would like to propose you to organize a program on Gender Equality in your College through 20 Gender advocates i.e. students who will be trained by Akshara.

For this we will conduct an Info Fair (Yuvak Yuvati Mela) in the College, where topics of gender, violence, discrimination, gender division of labour, sexual harassment etc are addressed through fun and interactive games. Through the Yuvak Yuvati Mela, we will be reaching out to a crowd of 1000 or more students through the gender inputs provided by your student facilitators.

Akshara will undertake the training of 6 students from 23 colleges i.e. 138 students on 15<sup>th</sup> January, from 10.30 to 3.30 pm at Parish Hall, Portuguese Church, Dadar west. The training will be through an interactive workshop, enabling them to facilitate the Mela Games with a conceptual clarity and confidence. The six trained students, in turn, will be responsible for orienting their respective teams about the Mela games. We would like you to appoint a Lecturer who will be in charge selecting the students and coordinating with them. These trained 6 students will give training further to 14 students of their respective College's who will execute the Mela from 16th January to 15th February 2019 in their Colleges.

A person from Akshara will approach you with a detailed program. The support from the college is crucial for success of reaching out to a maximum number of students with the message of gender equality. These adolescents will be the messengers of equality for the future generation and hence you are requested to cooperate for this genuine cause.

Looking forward to taking this ahead,  
Thanking you,

Sincerely,

Dr. Manjusha Molwane,  
Member Secretary,

Maharashtra State Commission for Women
