A Report on Webinar on "Career Opportunities in Cyber Security"

IQAC and Career Guidance & Placement cell of our college organized a Seminar on *"Career Opportunities in Blockchain Technology"* for B. Sc. (Information Technology) students on Wednesday, 08th February 2023, from 02.00 PM – 04.00 PM at Room No. 27.

The program started with the introduction about the college and need for seminars on recent trends in IT and allied fields by Prof. Ahtesham Shaikh. It then followed by the introduction and welcome the Speaker for today's program Mr. Sandesh Singh.

The technical session on the career path in Blockchain Technology, the necessary skill set for various job opportunities and step by step approach to make career was covered by the resource person. The topics covered during this session included the Building blocks, Architecture, application of Blockchain Technology that helps the students to gain expertise in the acquisition, development, testing, and implementation of information systems (IS) and learn the guidelines, standards, and best practices of protecting them. Total 79 students participated in the seminar.
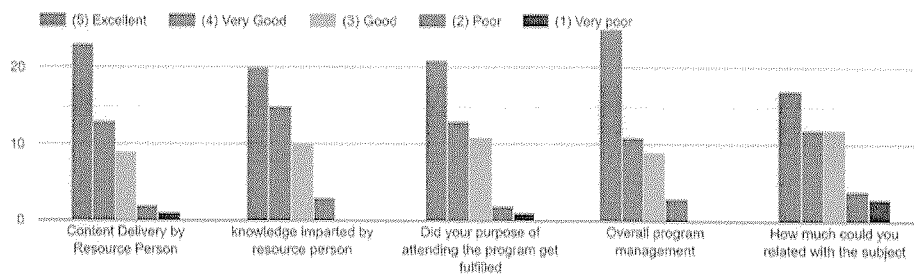

The programme ended with the vote of thanks by Prof. Ahtesham Shaikh. The program was a huge success and definitely will be a great help for the students in preparing for their professional career, as desired by the management Anjuman-I-Islam, the Principal and the entire stake holders.

This was only possible because of consistent support by Prof. Hanif Lakdawala, Assist. Director, Professional Courses and Prof. Hemanthkumar Jonnala, Chairman, Career Guidance and Placement Cell who are always ready to provide all the possible support, guidance and mentoring at every step.
