Some of these students are even forced to work in order to support their families for survival, and are also first generation learners. Since it is the mission of the Institution to bring these students from the quagmire of poverty, all efforts are made to ensure students are provided with all the possible support to make them graduates and help the cause of nation building. 6). Problems Encountered Resources Required:

Identifying those who are really in need of this facility due the family back ground becomes a huge challenge. Some of the students may be really very poor , so channelizing the resources to those who are desperately in need becomes a major problem as some times it may so happen that a slightly better off student may get the facility ahead of those who need it, but could not get the same.
